

SPEECH & HEARING SCIENCES  
UNIVERSITY of WASHINGTON

# are you a UW student on the autism spectrum?

The UW Speech and Hearing Sciences Department is offering a **peer mentoring program** for UW students who are on the Autism Spectrum and/or have social communication challenges.

**PROGRAM BEGINS JANUARY 2016**

This is not therapy. If you think support with navigating college would be helpful, then our peer mentor program may be for you.

Please email  
Lauren Nehilla at  
[nehill@uw.edu](mailto:nehill@uw.edu) to  
learn more or enroll.
